

2nd International Conference on Power and Intelligent Control Systems (PICS-2026)

Date and Venue

The conference will be held on **July 02–03, 2026**, at the **Department of Electrical Engineering, National Institute of Technology Hamirpur (H.P.)**, in **hybrid mode (in-person and online)**.

About us

National Institute of Technology Hamirpur (NIT Hamirpur), established in 1986 as Regional Engineering College, is a premier technical institute supported by the Government of India and the Government of Himachal Pradesh. The institute offers undergraduate, postgraduate, and doctoral programs in Engineering, Sciences, Architecture, Management, and Humanities, emphasizing academic excellence, industry collaboration, and innovative research. The Department of Electrical Engineering, also founded in 1986, boasts highly qualified faculty and state-of-the-art laboratories, offering M.Tech. programs in “Power Systems,” “Signal Processing & Control,” and “Condition Monitoring Power Apparatus,” along with Ph.D. programs in cutting-edge areas of Electrical Engineering.

Call for Papers

It is planned to publish the peer reviewed and selected papers of conference as proceedings with Springer in their prestigious “**Lecture Notes in Electrical Engineering**” series. For detailed instructions for authors and editors of conference proceedings, kindly visit the following link: <https://www.springer.com/us/authors-editors/conference-proceedings>. Select papers from the conference will be published by Springer as a proceedings book volume. Springer will conduct quality checks on the accepted papers and only papers that pass these checks will be published.

Conference Tracks

- **Track 1 : Power Engineering***
 - Power System
 - Power Electronics and Applications
 - Electric Transportation
 - Renewable Energy
 - Condition Monitoring of Power Apparatus
- **Track 2 : Control and Automation***
 - Cyber Physical System
 - Robust and Adaptive Control
 - Robotics and Intelligent Control
 - Multiagent System
 - Modeling and Simulation
 - Internet of Things (IoT)
- **Track 3 : Artificial Intelligence (AI)***
 - Machine Learning (ML) and Optimization
 - AI/ML in Electrical Engineering
 - Generative AI
 - Natural Language Processing (NLP)
 - AI/ML in Healthcare
 - Speech & Signal Processing
 - Computer Vision

***The conference welcomes research beyond the listed tracks. Authors may select the closest relevant track for submission.**

Keynote Speakers

Prof. Patrick Wheeler,
University of Nottingham, UK

Prof. Sukumar Mishra,
Director IIT Dhanbad

Prof. Bidyadhar Subudhi,
Director, NIT Warrangal

Prof. N. P. Padhy,
Director MNIT Jaipur

Registration Fee

Category	National	International
Participant from Industry	₹8000	\$250
Participant from Academia (Faculty/ Pursuing PhD)/ R&D	₹6000	\$200
Students (UG/PG)	₹3000	\$150
Attendee/Listener	₹1500	\$75

Important Dates

Last Date of Paper Submission	31 Mar, 2026
Acceptance Notification	15 May, 2026
Camera Ready Paper Submission	05 June, 2026
Last Date of Registration	05 June, 2026
Date of Conference	02-03 July, 2026

About PICS-2025

The **First International Conference on Power and Intelligent Control Systems (PICS-2025)** was successfully organized by the Department of Electrical Engineering, NIT Hamirpur, during July 04–05, 2025. **Over 500 papers were reviewed, with around 150 papers accepted and 110 papers presented at the conference.** The presented papers will be published by **Springer (Scopus Indexed)** in the **Lecture Notes in Electrical Engineering** series. Motivated by the success of PICS-2025, the conference is being continued as a series.
